

FUMCLG **Family Service Event**

Sunday, March 5, 4:00-5:30

More than 20 million American children are at risk of being clothing insecure. Not having appropriate clothing harms a child's health, safety, and self-esteem, factors known to impact a child's academic performance and long-term success.

Cradles to Crayons® believes that all children should have what they need at home, at school, and at play.

What can I do?

Attend our family event on Sunday, March 5, and learn about the Chicago-area Cradles to Crayons program. Bring new or gently used children's clothing and a suggested donation of \$20 per family and enjoy some indoor fun while learning about the program and helping to sort the donated items! We'll be in Fellowship Hall (lower level at the end of the hallway) from 4-5:30. At 5:00 we'll serve pizza and lemonade.
